GROUP GRIEF INTENSIVE

Tuesdays, 7 pm – 8:30 pm

Hospice Atlanta Bereavement Services has recently added a 6-week grief intensive to our list of “BETTER2GETHER” community support offerings.

What is a “Grief Intensive?”

Our grief intensive provides a unique, professionally facilitated opportunity for participants to focus on and work through key aspects of grief. Over a 6-week period, participants are encouraged to deeply process specific areas of their grief experience, while connecting and sharing with others in a closed, structured, small-group setting. Participants are challenged to explore a new aspect of grief each week, and equipped with practical tools for managing their grief, on their own terms, in healthy ways.

Is there a Fee?

No. As a non-profit organization, this a service Hospice Atlanta is pleased to provide to bereaved individuals at no cost to them.

How do I Sign Up?

Registration is required and group sizes are limited. For more information, or to register, contact Chandelle Carter:

phone: 404-869-3072 email: Chandelle.Carter@vnhs.org.

**Additional participants are not able to join a group once the group’s 6 sessions have begun. If a group is already in session at the time of your registration, you will be placed on the priority list for the next available 6-week group.*
